ABOUT US

Urdhvaege- means the Rising Sun and it symbolizes the growth of Urdhvaege India in the field of Pharma, Food, Health, Cosmetics, Chemical, Aquatic & Pet Food & Feed, Nutrients and Other Allied Industries.

Urdhvaege India aspires to cater these Businesses with Machines and Equipment's along with superior manufacturing solutions for these Industries across the region.

Established in the year of 2016 under the leadership of Mr. Rohit Verma, Urdhvaege India Private Limited has expanded to become one of the best in its field.

Our Manufacturing Facility is equipped with necessary assets and equipment's required for designing and fabrication of versatile projects and machines catering to above mentioned businesses.

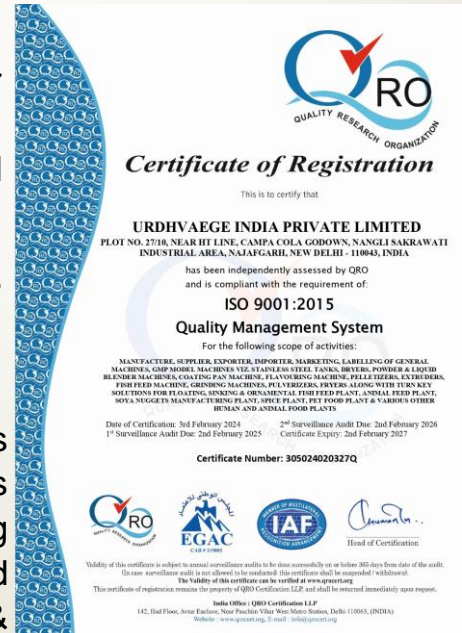

We are inspired to deliver best in class machines and equipment's to suite clients manufacturing capabilities in their respective industries.

With projects delivered to several Multinationals from small scale industries to reputed companies in the field. Urdhvaege India has been expanding its presence rapidly across India & other World Wide Region specifically in Middle East, Africa & Europe.

We as an organization are committed to provide quality service and, as a matter of policy, always maintain the direct involvement of principals throughout each project. Besides the designated professional team on the project, the principals of the firm attend all projects' operation when required and are always available for services of any kind.

Our Corporate Philosophy is

“ We believe in values to deliver success”
